PRESIDENTIAL SCULPTOR, KEITH JOHNSON

Keith Allen Johnson is a realistic sculptor best known for his Presidential Collection of life-size portrait busts of seven American Presidents. Keith Allen Johnson is the only American sculptor in history to create an above-life-size collection of seven life-size American Presidents.

Johnson has most recently launched The Trump Collection. This is a growing collection of heroic Trump sculptures to honor the historic accomplishments of the 45th President of the United States.

Keith is now booking media engagements. Contact him today to book for your podcast, publication, or news outlet!

"WOW! It's Gorgeous!

- President Donald J. Trump

- Featured in several publications, including The New Yorker Magazine.
- Mass appeal to conservative and MAGA audiences
- American-made with a patriotic and compelling story.

NEW COLLECTION RELEASED!

"COMMANDER IN CHIEF"

In this heroic sculpture, entitled Commander in Chief, artist Keith Johnson, set out to capture the spirit and future destiny of President Donald J. Trump. In this sculpture, Trump gazes out into the future with a focused determination, dressed in General Washington's Revolutionary War uniform. The parallels between President Trump and General Washington are striking, with implications that will greatly impact the future destiny of America!

"I dedicate this sculpture to the Commander in Chief and the American Patriots who love God and country enough to fight and pray for America's greatest Great Awakening!" - Keith Johnson
